I used to hurry a lot, I used to worry a lot  
I used to stay out till the break of day  
Oh, that didn't get it, it was high time I quit it  
I just couldn't carry on that way

Oh, I did some damage  
I know it's true  
Didn't know I was so lonely  
Till I found you

You can go the distance  
We'll find out in the long run  
(In the long run)  
We can handle some resistance  
If our love is a strong one  
(Is a strong one)

People talkin' about us  
They got nothin' else to do  
When it all comes down  
We will still come through

In the long run  
Ooh, I want to tell you  
It's a long run

You know I don't understand  
Why you don't teach yourself better  
Do the crazy things that you do  
'Cause all the debutantes in Houston, baby  
Couldn't hold a candle to you

Did you do it for love?  
Did you do it for money?  
Did you do it for spite?  
Did you think you had to, honey?

Who is gonna make it?  
We'll find out in the long run  
(In the long run)  
I know we can take it  
If our love is a strong one

(Is a strong one)

Well, we're scared  
But we ain't shakin'  
We're kind of bent  
But we ain't breakin'

In the long run  
Ooh, I want to tell you  
It's a long run  
In the long run, in the long run

Gonna find out, ooh find out  
Long, long, long, long  
Long, long, long, long  
Ooh, run, run, run, baby  
Run, run, baby

Long, long, long, long
