Raven hair and ruby lips
Sparks fly from her finger tips
Echoed voices in the night
She's a restless spirit on an endless flight

Woo hoo, witchy woman
See how high she flies
Woo hoo, witchy woman
She got the moon in her eyes

She held me spellbound in the night
Dancing shadows and firelight
Crazy laughter in another room
And she drove herself to madness with a silver spoon

Woo hoo, witchy woman
See how high she flies
Woo hoo, witchy woman
She got the moon in her eyes

Well, I know you want to love her
Let me tell your brother
She's been sleeping
In the devil's bed

And there's some rumors going 'round
Someone's underground
She can rock you in the nighttime
'Til your skin turns red

Woo hoo, witchy woman
See how high she flies
Woo hoo, witchy woman
She got the moon in her eyes
