

New Young Pony Club "Ice Cream"

I can give you what you want.
I can make your heart beat short.
I can make you ice cream
We could be a sweet team
Melting in your vice dreams, sport.

I can be the sauce you crave.
I can spell what you can't say.
Chocolate flavor love theme
Treat the treats you so mean
Covering your nights and days.

Let me give you what you'd like.
I can make your mouth run dry.
Drink me like a liquor
C'mon and dip your dipper
Show me what you're here for, guy.

I can give you what u want.
i can make your back real taunt
Fantastic flavor fancies -
Sick like Syd and Nancy -
Wicked as a joyride jaunt.

What you want
I can give you what you want
What you want
I can give you what you want, you want
You want
I can give you what you want
What you want
You want
Whatcha whatcha want now
