your darkest at midnight
whats as black as your insides
the dark is the dark is the dark is
why you gloring at your inside
where instict is waiting
why'd you want to wear it so tight
why'd you want to wear it out

i dont want to
i dont want to talk about it
i dont want to
i dont want to talk about it

its darkest at midnight
even your shadow is tonguetied
your talking were talking were talking
why you gloring at your inside
where instict is waiting
why'd you want to wear it so tight
why'd you want to wear it out

i dont want to
i dont want to talk about it
i dont want to
i dont want to talk about it
i dont want to
i dont want to want to want to
i dont want to
i dont want to talk about it
i dont want to
i dont want to talk about it

you still want to talk about it
im so sick of talking about it
you stil want to talk about it
im so sick of talking talking talking talking talking

i dont want to
i dont want to want to want to
i dont want to

i dont want to talk
i dont want to
i dont want to talk about it
i dont want to
i dont want to want to want to
i dont want to
i dont want to talk
