You know you really were the bomb
Oh, oh, oh, atomic infamy
You really have to display information
To discover relativity
You know you really were the bomb
Oh, oh, oh, atomic infamy
You really have to display information
To discover relativity
You're no faker, love and peace maker
Come and take a moment with your enemy

Aha, don't speak 'cos your mind is amazing
Aha
Aha, don't speak 'cos your mind is amazing
Aha

And on the atoll of desire
Oh, oh, oh, battle was fought and won
Who took advantage and who was defenceless?
Oh, no, peppermint girl's not done
Remember this emotional equation
Don't test the moment when you break the sun

Aha, don't speak 'cos your mind is amazing
Aha
Aha, don't speak 'cos your mind is amazing
Aha
Aha, don't speak 'cos your mind is amazing
Aha
Aha, don't speak 'cos your mind is amazing
Aha

Dancing you're tearing it up you know
Dancing you're tearing it up you know
Dancing you're tearing it up you know
Dancing you're tearing it up...

Don't speak 'cos your mind is amazing
Dancing you're tearing it up you know
Don't speak 'cos your mind is amazing
Dancing you're tearing it up you know
Dancing you're tearing it up...

Dan-cing, dan-cing, dan-cing, danc-ing
