I can make you jump around and drive you wild  
(Drive you wild)  
I grab the mic

And get you high  
(Get you high)  
Because I say the things that I know that you like  
(I know you like)

I take your back  
(I take your back)

'Cause you know we'll be in freaky, it's all about  
(It's all about)  
Let me hang  
(Let me hang)

Do your thing  
(Do your thing)  
I can sit right here and watch you  
And all of my baby

I'm freakin' you baby, drivin' you crazy  
If there's a butt I'll make it  
Cause I want you to be my lady

I'm freakin' you, baby  
(Take a spin baby)  
Drivin' you crazy  
(I like that)

'Cause the freaky is insane  
(That's right)  
What you grabbed here that was me  
(That's right)  
And I want you to be a lady, come on

Freakin' you baby, drivin' you crazy  
Taste all of my cravin', making you lazy  
I once stoop around, but I don't look  
'Cause I re-came for freak show

So, girl, let it out, don't be afraid  
'Cause I am the man and I'll be brave  
So come on, girl and let it out  
Let it out, let it out

I'm freakin' you, baby, drivin' you crazy  
I'm freakin' you, baby, drivin' you crazy  
I'm freakin' you, baby, drivin' you crazy

I'm freakin' you, baby, drivin' you crazy

I'm freakin' you, baby, drivin' you crazy  
I'm freakin' you, baby, drivin' you crazy
