Sweet sensations of a freaky temptation  
Got me feeling right for what I'm facing  
Chocolate chip, sugar dipped  
Got me clipped to the hip  
Of a honey hustling  
Hot heart bustling  
Here cause my wife  
Hope I don't get busted [busted]  
Messing at the girl I'd like to get a chance  
And yes, I have a taste for some skins  
Slick daddy down six pack of safety  
I like to keep in mind I entered her safely  
In, out and away we go  
Hidey hidey ho as I ride this  
Ohhhhh  
What this feeling is I really don't know  
Before it gets worse I think I better go  
I'm dreaming of you while I'm looking at you  
I really don't think that's a good thing to do  
You got me singing those oh ee blues  
I get a kick out of you

I get a kick out of you, I get a kick [x2]

I wore the jimmy hat

To make sure I'm strapped  
Cause you know I'm not going out like that  
Getting with ya and I barely even know ya  
One might say I'm nothing but a ho, huh?  
But I know this, one simple kiss  
Could blow me away and I don't want that  
Now I'm faced on your love at first sight  
But this ain't going to be a dog eat dog night  
Take away my life for just getting laid?  
While, I'd rather stay young and keep getting paid  
Took me to her crib and when we got there  
Now I'm saying to myself oh lord ya  
I looked her in her face  
And then she looked me in mine  
And I was feeling kinda horny, she was looking fine  
I said baby doll, I want to get close to you

Because that's what a man is supposed to do  
And I be hugging and squeezing and holding you  
You know why because I get a kick out of you

I getta kick out of you, I get a kick (11x)
