

## The Police "Codeword Elvis"

Visit "[Codeword Elvis](#)" on MotoLyrics.com

I'm 20 years old  
At the moment, no job  
My height is one eighteen  
Green eyes and blond hair...  
and sometimes I feel alone

I love action movies  
I love racing sports  
But my hero is Elvis

He's really my god  
Do you like my hero?  
Do you like rock n' roll?  
Maybe sometimes feel lonely  
Don't have a job  
Please let me know

My codeword is great  
Post Box Elvis  
Five seven nine three eight

Post Box Elvis  
Five seven nine three eight...  
Post Box Elvis  
Five seven nine three eight  
Five seven nine three eight  
Five seven nine three eight  
Five  
Seven  
Nine  
Three  
Eight...

I am 20 years old  
At the moment, no job  
But my hero is Elvis  
He's really my god
