I don't want no dead end job, I don't wanna be no
number
I don't want no dead end job, I don't wanna be no
number
The queue gets longer everyday, I just ain't got time to
stay
I ain't gonna run away, all I wanna do is play

Don't wanna be no teacher, I don't wanna be no slave
I don't wanna work no assembly line, like my uncle
Dave
The queue gets longer everyday, I just ain't got time to
stay
I ain't gonna run away, all I wanna do is play

I don't want no dead end job, I don't want no dead end
job
I don't want no dead end job, I don't want no dead end
job

I don't want no dead end job, I don't wanna be no
number
I don't want no dead end job, I don't wanna be no
number
The queue gets longer everyday, all I wanna do is play
I just ain't got time to stay, but I ain't gonna run away

Don't wanna be no millionaire, don't wanna own no mint
I don't wanna be no tax exile and I don't mind being
skint
The queue gets longer every day, I just ain't got time to
stay
I ain't gonna run away all I wanna do is play

I don't want no dead end job, I don't want no dead end
job
I don't want no dead end job, I don't want no dead end
job
Oh no

I don't want no dead end job, I don't want no dead end
job

I don't want no dead end job

I don't want no dead end job, I don't wanna be no
number

I don't want no dead end job, I don't wanna be no
number

The queue gets longer everyday, I just ain't got time to
stay

I ain't gonna run away all I want to do is play

Don't wanna be no millionaire, don't wanna own no mint
I don't wanna be no tax exile and I don't mind being
skint

The queue gets longer every day, I just ain't got time to
stay

All I wanna do is play, I ain't gonna run away

I don't want no dead end job, I don't want no dead end
job

I don't want no dead end job, I don't want no dead end
job

I don't want no dead end job, you can stop your dead
end job

Stop your fuckin' dead end you bastard

Don't want no dead end job

I'm fuckin' pissed off with this dead end job

Camarine

Oh I don't want no dead end job, I don't want no dead
end job

I don't want no dead end job, I don't want no dead end
job
