"Fall Out"

I never thought of leading
I've got my own machine
And I've paid my dues all along

All set for breaking
When I missed those other people
'Cause I knew that I was really alone

Fall out
Fall out with all the leaders and gangs
Fall out
Fall out with all the leaders and gangs

I saw my education
It was my indoctrination
Just to be another parking machine

All my sense was breaking
When I missed those other people
'Cause I knew that I was not very clean

Fall out
Fall out with all the leaders and gangs
Fall out
Fall out with all the leaders and gangs

[Incomprehensible]

Fall out
Fall out with all the leaders and gangs
Fall out
Fall out with all the leaders and gangs

Fall out
