Everyone I know is lonely  
And God is so far away,  
And my heart belongs to no one,  
So now sometimes I pray  
Please take the space between us  
And fill it up some way.  
Take the space between us  
And fill it up some way.

Oh my God you take the biscuit  
Treating me this way  
Expecting me to treat you well  
No matter what you say.  
How can I turn the other cheek  
It's black and bruised and torn  
I've been waiting  
Since the day that I was born.

Take the space between us  
And fill it up some way.

Take the space between us  
And fill it up some way.

The fat man in his garden  
The thin man at his gate  
My God you must be sleeping  
Wake up, it's much too late.

Take the space between us  
And fill it up some way.  
Take the space between us  
And fill it up some way.

Do I have to tell the story  
Of a thousand rainy days?  
Since we first met,  
It's a big enough umbrella  
But it's always me that ends up getting wet.
