I've got a lump in my throat about the note you wrote  
I'd come on over but I haven't got a raincoat

Have we got contact  
You and me?  
Have we got touchdown  
Can't we be?

I've got contacts in my book and in my eyes  
My good connection on the telephone never lies

Have we got contact  
You and me?  
Have we got touchdown  
Can't we be?

I've got a list of the people I have known  
I'm never alone on the end of a phone

Have we got contact  
You and me?  
Have we got touchdown  
Can't we be?

I've got a lump in my throat about the note you wrote  
I'd come on over but I haven't got a raincoat  
I'd come on over but I haven't got a raincoat
