He goes out at night with his big boots on  
None of his friends know right from wrong  
The kick a boy to death 'cause he don't belong  
You've got to humanise yourself

A policeman put on his uniform  
He'd like to have a gun just to keep him warm  
Because violence here is a social norm  
You've got to humanize yourself

Rehumanize yourself  
Rehumanize yourself  
Rehumanize yourself  
Rehumanize yourself

I work all day at the factory  
I'm building a machine that's not for me  
There must be a reason that I can't see  
You've got to humanize yourself

Billy's joined the National Front  
He always was (just) a little runt  
He's got his hand in the air with the other cunts  
You've got to humanize yourself

Rehumanize yourself  
Rehumanize yourself  
Rehumanize yourself  
Rehumanize yourself

I work all day at the factory  
I'm building a machine that's not for me  
There must be a reason that I can't see  
You've got to humanize yourself

A policeman put on his uniform  
He'd like to have a gun just to keep him warm  
Because violence here is a social norm  
You've got to humanize yourself

Rehumanize yourself
