Break me on the thirty-seventh hour  
Tout me, doubt me, show me all of your power  
I will watch you rise on my back from the ground  
Friend or foe?  
I don't know  
Do you like what you've found?

I will one day shine with you  
I'll shine on a faithful few

Show we 'low quotations  
Have you earned your stripes?  
Fabricate salvation  
Lord, I know your type  
I've known you all my life  
I was always wrong, you all in white

Brush my cause aside with little trouble  
Oh my god, I think I'm hearing double  
I will watch you rise on my back from afar  
Friend or foe?  
I don't know now you're up in the stars

But I will one day shine with you

I'll shine on a faithful few

Show we 'low quotations  
Have you earned your stripes?  
Fabricate salvation  
Lord, I know your type  
I've known you all my life  
I was always wrong, you all in white

Have you earned your stripes?  
Fabricate salvation  
Lord, i know your type  
I've known you all my life  
I was always wrong, you all in white

Have you earned your stripes?

Fabricate salvation  
Lord, I know your type  
I've known you all my life  
I was always wrong, you all in white
