"Ghost Town"

I've been driving in my car
Trying to find some sign of life
No one about and it's kinda creepy
It's an understatement to say it's sleepy

It's a ghost town where no one goes
It's a ghost town where no one goes

Well you think your town is pretty boring
Come and spend a day with me
I am asking real politely
I'm afraid to be alone

It's a ghost town where no one goes
It's a ghost town where no one goes

Apocalyptic, distressing, needs addressing and I'm
guessing
Everybody likes to go... I know, I know, I know

It's a ghost town where no one goes
It's a ghost town where no one goes

It's a ghost town
Ghost town
