You walk into the room with refine and poise  
Bewitching, enthralling all of the boys  
You're so chic and you're so sweet  
And oh

I wish I was a girl  
Yeah I wish I was a girl

You seductive mystery  
You're a revelation to me  
Life is easy when you're easy on the eye  
And I

I wish I was a girl  
Yeah I  
Wish I was a girl

'Cause your appeal's an open door  
That you float through' in your haute couture  
Dolce & Gabbana, McQueen, Armani, Prada  
Von Furstenberg and Mulberry, Givenchy and Escada

Oh I  
I wish I was a girl  
Yeah I  
I wish I was a girl  
I wish I was a girl  
Yeah I wish I was a girl
