i can barely look at you
don't tell me who you lost it to
didn't we say we had a deal
didn't i say how bad i feel
everyone needs a helping hand
who said i would not understand
someone up the social scale
for when your going off the rail

post break up sex that helps you forget your ex
what did you expect from post breakup sex

leave it till the guilt consumes
i found you in the nearest room
all our friends were unaware
most just passed out downstairs
to think i hoped you'd be okay
but now i cant think of what to say

maybe i misunderstood
but i cant believe your feeling good
from post break up sex
that helps you forget your ex
what did you expect from post break up sex

post break up sex that helps you forget your ex
what did you expect from post break up sex
oh when you love somebody but you find someone (uh
huh huh)
and it all unravels and comes undone (uh huh huh, uh
huh huh, uh huh huh)

post break up sex that helps you forget your ex
what did you expect from post break up sex
post break up sex that helps you forget your ex
what did you expect from post break up sex
