Speaker, I can understand  
Words flow from your mind  
Brothers and sisters from far away  
Welcome to our land

So don't worry about the ones  
Who were trying to hurt you  
We will not be afraid of them  
Let us tell you about our plan  
How we will live on the surface again

300 years of life beneath the ground  
Hiding from your warring tribes eternally  
Developing our spirits and our minds to see  
Another way of living - a new society

All the patient waiting  
All the preparation  
All anticipation  
For this hour

Welcome to our land my brothers  
Sisters from worlds far away  
The time has come to rise again  
Reclaim with us this world my friends

Speaker I can hear you but I can't believe  
Enemies await above, we can't escape  
Killing is the only thing they understand  
A battle must be fought  
Before we can be free

No armies can contain us  
No soldiers can destroy us  
If we must die to have this  
So we shall
