If at some point we all succumb  
For goodness sake let us be young  
Cause time gets harder to out run  
And I'm nobody, I'm not done

With a cool cool breeze and dirty knees  
I rest on childhood memories  
We all got old at break-neck speed  
Slow it down, go easy on me  
Go easy on me

Put a wetsuit on, come on, come on  
Grow your hair out long, come on, come on  
Put a T-shirt on, do me wrong, do me wrong, do me  
wrong

If it's up and after you  
What do you suppose that you would do?  
You're all whacked out from lack of sleep  
You blame it on the friends you keep  
Well you want to do things differently  
Go do them independently  
We all got old at break-neck speed  
Slow it down, go easy on me  
Go easy on me

Put a wetsuit on, come on, come on  
Grow your hair out long, come on, come on  
Put a T-shirt on, do me wrong, do me wrong, do me  
wrong

Put a wetsuit on, come on, come on  
Grow your hair out long, come on, come on  
Put a T-shirt on, do me wrong, do me wrong, do me  
wrong

Does holy water make you pure?  
Submerged your vision's just obscure  
You're alot like me  
In up to our knees  
In over your chest is way too deep

So, put a wetsuit on, come on, come on  
Grow your hair out long, come on, come on  
Put a T-shirt on, do me wrong, do me wrong, do me  
wrong

Put a wetsuit on, come on, come on  
Grow your hair out long, come on, come on  
Put a T-shirt on, do me wrong, do me wrong, do me  
wrong
