If at some point we all succumb  
For goodness sake, let us be young  
'Cause time gets harder to outrun  
And I'm nobody, I'm not done

With a cool, cool breeze and dirty knees  
I rest on childhood memories  
We all got old at breakneck speed  
Slow it down, go easy on me, go easy on me

Put a wetsuit on, come on, come on  
Grow your hair out long, come on, come  
Put a T-shirt on  
Do me wrong, do me wrong, do me wrong

If it's up and after you  
What do you suppose that you would do?  
You're all whacked out from lack of sleep  
You blame it on the friends you keep

If you want to do things differently  
Go, do them independently  
We all got old at breakneck speed  
Slow it down, go easy on me, go easy on me

Put a wetsuit on, come on, come on  
Grow your hair out long, come on, come  
Put a T-shirt on  
Do me wrong, do me wrong, do me wrong

Put a wetsuit on, come on, come on  
Grow your hair out long, come on, come  
Put a T-shirt on  
Do me wrong, do me wrong, do me wrong

Does holy water make you pure?  
Submerged, your vision's just obscured  
You're a lot like me, in upto our knees  
In over, your chest is way too deep

Put a wetsuit on, come on, come on  
Grow your hair out long, come on, come

Put a T-shirt on  
Do me wrong, do me wrong, do me wrong

Put a wetsuit on, come on, come on  
Grow your hair out long, come on, come  
Put a T-shirt on  
Do me wrong, do me wrong, do me wrong
