Yea ooh yea yea yea yea

[Chorus- Next]

You can have anything I got

All of me right on the spot

Da,da,da,da,da,da,da,da

Da,da,da,da,da

You can have anything I own

Work my fingers all the way to the bone

Da,da,da,da,da,da,da,da

Da,da,da,da,da

[Jaheim]

Now baby I don't wanna be fictitious

Saying I can get you anything is ridiculous

But anything you ask if its anywhere near my grasp

It's yours, Oh yea

Now I don't got fancy cars or diamond rings

Lord knows I will if I make it with this singing thing

Hold on, have faith in me

'Cause anything I have is yours, baby

[Repeat Chorus]

[Jaheim]

Girl I know you wanna roll a Lexus

A Lexus with a mansion down in Texas

It's more like apartment 8 cellular is prepaid

But baby it's all okay

I can't do all the things I wanna do

But I can love you and I can stay true

I'll give you my last dime

Spend all my time

It's yours whatever is mine...

You can have anything you want

[Repeat Chorus]

[Jaheim (Next)]

Now I don't have no LS to drive

(But I'm a man with a whole lot of plans and a lot of love
inside)

Just believe and pray, hold on to me and say stay

(I can't handle you leaving me)
Just dream (dream) dream with Jaheim
I'll work overtime anytime
(Just to give you peace of mind)
Please just believe, everything and anything
All of me baby,baby,baby,baby

[Repeat Chorus]

[Jaheim]
Baby you can have anything you want

[Next]
Anything you want, anything you need
Anything I have baby girl just ask
Anything you want anything you need...
