From best man soundtrack

[r.l.]

Yeah this is for my brothers in the hood
And the high risers, on the mansions with the maids
We gotta come together, come on yall
Case, ginuwine, tyrese, and me r.l.
Help me sing it fellas, yeah

[case]

Im sitting here alone
Trying to face another day
Gotta stay strong, hmm
To endure this pain

[r.l.]

Im dealing with right now
It flipped my whole life upside down
I don't want your help
I don't need your sympathy, no

[all]

What can a brother do for me?
(see he can you help you up when you are down)
What can a brother do for me?
(he can be your eyes when you can't see)
What can a brother do for me?
(he can help me be the best man I can be)
(oh I can be, I can be, oh I can be, I can be)
He can help me be the best man I can be
(oh yeah, yeah, yeah)

[tyrese]

(be the best man)
I made a big mistake
And Im feeling so ashamed
And I don't want to lose my friendship over it
Ive gotta keep the faith, yes I do

[ginuwine]

Cause Im still your boy, Ive got your back

Thatll never, never, never, never gonna change
So I can just cite the truth
And keep smiling in your face

[all]

What can a brother do for me?
(he can you help you up when you are down)
What can a brother do for me?
(he can be your eyes when you can't see)
What can a brother do for me?
(he can help me be the best man I can be)
(I can be, I can be, oh I can be, I can be)
He can help me be the best man I can be
[tyrese]
I keep struggling but Im trying my best
I got some issues with my own confidence
Lord help me to forgive and forget
Can you please help me to be a better man?

[r.l.]

For the rest of the darkest nights
Shines the brightest sun
I hate the man I used to be
Im better than before

[all]

What can a brother do for me?
(he can you help you up when you are down)
What can a brother do for me?
(he can know the wrong to make it right)
What can a brother do for me?
(he can be your eyes when you can't see)
He can help me be the best man I can be
(I can be, I can be, I can be, I can be)
He can help me be the best man I can be
(I can be, I can be, I can be, I can be)
He can help me be the best man I can be
(I can be, whoa I can be, oh I can be, oh I can be)
Help me be the best man I can

[case]

Cause he's my brother, brother, brother, brother
Yes he is my brother, brother, brother, brother

[r.l.]

Sees when Im down on my luck and im
Crying cause a woman done left me
I aint got nothing cause it's cold outside
Hell give me a ride
When it's late at night
Cause he's my brother, brother, brother, brother

See sometimes I may go astray but hell lead me back
the right way
And tell me everythings okay
Cause he's my brother, brother, brother, brother
Brother, brother, brother, brother
Oh I know sometimes you'll need me and I got your
back
Oh cause I know you got mine
Cause you're my brother
And I love you, love you, love you
You can count on me, sing it
Case, tyrese and g, you are my brother, brother,
brother

[tyrese]
R.I oh my brother
Late up at night
If you need a helping hand just call on me
Talking bout my brothers, brothers, brothers
All across the world, my brothers yeah
I love you
