Yo whasup baby?
It's me R. L. the real
Yeah, I know you all heard about me
It ain't even like that boo
I ain't livin' like that
And I know you think I just want you to come over
So I can hit the skins

Nah, I just want you to lay back with me
Get real comfortable
Get real cozy
And just chill till you're ready

Ready set for the Moet
Put on some next
'Cuz we're about to get real comfy
And cozy
Yo, T-low tell 'em what I'm tryin' to say

So what's on your mind
Girl, I can see it in your eyes
You're thinkin' I wanna come inside
But that's not why you're here tonight

Girl, we can get it on
But we don't have to take our clothes off
I'm not all about the boom-boom, that zoom-zoom
I just wanna chill and maybe settle down

Ready set for the Moet
Put on some next
'Cuz we're about to get real comfy
And cozy
Don't cha know it's on tonight

Lord have mercy
Pour the Hennessey
Come chill wit me
And we can both be
Real comfy and cozy

Girl, let's get a little closer

Some dull conversation helps to
Resist the temptation, we can break out the lubrication
I'm gonna rub your back where it's safe, yeah yeah

Girl, you know that I respect you, yeah
And I can wait for the skins, it's cool
I'm just gee
To finally be here alone wit you oh

Ready set for the Moet
Put on some next
'Cuz we're about to get real comfy
And cozy
You can feel right at home with me

Lord have mercy
Pour the Hennessey
Come chill wit me
And we can both be
Real comfy and cozy

On the next album, watch me now
Makin' such smooth sailin' tonight
Oh, we can just chill tonight, yeah
Do the thing that I wanna do
Is puff a little light and being high, baby
Nothin' but smooth sailin' tonight
Only thing that I wanna do is sip a little wine

Ready set for the Moet
Put on some next
'Cuz we're about to get real comfy
And cozy
Can ya sway with some alahze, baby

Lord have mercy
Pour the Hennessey
Come chill wit me
And we can both be
Real comfy and cozy

Ready set for the Moet
Put on some next
'Cuz we're about to get real comfy
And cozy
Come on and get, I'm liking it

Lord have mercy
Pour the Hennessey
Come chill wit me
And we can both be

Real comfy and cozy

Ready, set
