Rockabye baby and it don't stop
when the shirts fall the pants will drop
down will come boxers panties and all
it's on it's on it's on

You huh this is R.L.
what we tryin to do right now
is figure out
who the freak of the industry is
and we feel like next got the flex
but Adina we gotta take the reins
you know what im sayin
so what we about to do is put it all on the line
you get yorus and imma get mine
you Next, Adina sup

1- You cant handle
what im bout to give you
a next experience
(ah go head daddy)
(im all about it but Adina Howard can sleep)
I just wanna touch and clutch and feel you
put some whip appeal in it
(go head daddy)
(go head mommy)

Boy peep this freak in me
testin out this feather weight
who cant handle this heavy weight
some talkin ill just perpetrate
i got what you need
come and get a load of me
i'll make it hurt like baby birth
when its on girl i put it work
even when im gone we can flex
you can call collect
we can have phone sex 'cause
('cause what)
You can't handle it No no no

repeat 1

Between my thuggin im butta lovin
hips bumpin lips like she just finished lickin somethin
she say ya take a beat
just to peep a freak stuntin
bowl mammas doin tricks
like the globetrotters
politickin while i blow scamas
uh huh im rippin rappin dough dotters
givin strow rhythm 'cause his flow propper
and like it ruff like some more vodka
know she feeaked out
but cant knock herand i can be a freak until the day
until the dawn
baby dont front when its time to bring the bomb
i'll make you feel it in your tummy
word is bond ill have ya walkin funny
Talk is cheap just give me a beep
we can peep boy youll get freaked
Tell ya what baby beep
lets come next week
ill make ya reach your peak yeah

repeat 1

Nasty my type like it
since its adina you i might bite it
mad excited pop the G to peep inside it
let and divide it
dont play the road way
so watch rat while we foreplay
and pour more alezae
now your neck make ya crack let
could sweat all day
stuff the garcia
with dar tree
the guard see
while our postions harshly
i throw it in you to the end boo
knees to chest and next is next to flex

repeat 1 until fade
