Ghetto

Yo

Hold me down

Next, yeah

All I ever need is my wifey
And some real niggas behind me
A lady to hold me down
My niggas will hold me down

Someone that can ride in the passenger side
Ride or die, cop the cake, then we define
Can't nothing hold me down
Can't nothing hold me down

The sun don't shine, sun don't shine
If I, can't wake up next to mine
Wake her ass up, tap her one more time
No more baby sleepin', but she don't mind

Yeah, she's ghetto
But she keeps a nigga level
Even when I'm short on change
She won't complain, even got an extra job to maintain

All I ever need is my wifey
And some real niggas behind me
A lady to hold me down
My niggas will hold me down

Someone that can ride in the passenger side
Ride or die, cop the cake, then we define
Can't nothing hold me down
Can't nothing hold me down

I use to be real friendly with everybody
'Til somebody tried to take my baby
Now the only niggas that hang with me
Are a chosen few, my chosen crew 'cause

Some niggas are slimy dude but
You know who I'm talkin to you, trust

Real recognize, real for real,
This is Robert, we fell 'way before the deal

All I ever need is my wifey
And some real niggas behind me
A lady to hold me down
My niggas will hold me down

Someone that can ride in the passenger side
Ride or die, cop the cake, then we define
Can't nothing hold me down
Can't nothing hold me down

All I ever need is my wifey
And some real niggas behind me
A lady to hold me down
My niggas will hold me down

Someone that can ride in the passenger side
Ride or die, cop the cake, then we define
Can't nothing hold me down
Can't nothing hold me down

No matter how hard it is
Or how bad the storm gets
I promise this
That I will always be right here

If it's a dollar it's fifty cent a piece
If it's a million you get five hundred Gs
'Cause we are family
I'll ride for you, if you'll ride for me

All I ever need is my wifey
And some real niggas behind me
A lady to hold me down
My niggas will hold me down

Someone that can ride in the passenger side
Ride or die, cop the cake, then we define
Can't nothing hold me down
Can't nothing hold me down

All I ever need is my wifey
And some real niggas behind me
A lady to hold me down
My niggas will hold me down

Someone that can ride in the passenger side
Ride or die, cop the cake, then we define
Can't nothing hold me down

Can't nothing hold me down
