Verse:

I lay in bed, holding my pillow close
feeling so alone.
With an emptiness, deep in my soul
looking for someone to hold
Then I found you baby.

Chorus:

I never felt a love like this right here
I never loved someone like you my dear
I never saw directions that were so clear
Love led me to you.

Verse:

My heart had been broken many times
love made me hurt inside
But you came into my life made everyday like
Valentines
Now I understand why
I weathered the storm for my sunshine

Chorus:

I never felt a love like this right here
I never loved someone like you my dear
I never saw directions that were so clear
Luv led me to you (repeat)

Break:

You are my sunshine
the winds that blow
A rare flower
I'll never let you go
The air I breathe
Like a summer breeze
You, save my heart

Chorus (repeat out)
