Ta ra ra ra
Ta ra ra ra
Haa haa
Ta ra ra ra

My everything
I've only imagined you in every way
I only think of you, all night and all day
I only want you when I'm awake and when I'm sleep
You don't mean a thing 'cause you mean everything to
me
Oh ho

I'm your shelter in the rain
(Yeah)
I take away the pain
Never have to hurt again
(Oh ho, ohhh)
Wanna be your love supreme
Without you, I'm not complete
(No)
Your my everything
(And I just want you to know)

I breathe you, girl
I eat you, girl
(Ahh)
I need you girl, uh huh
(Ahh)
(Uh huh)
I speak you, girl
(Ohh)
I dream you, girl
To be my world
Your my everything

I'd never die for you
I'd rather live to love you
You could take my arms
I'll still find ways to touch you, yeah
You could take my legs
I still run to your rescue

I love you, I really do
And I

I'm your shelter in the rain
(Yeah)
I'd take away the pain
(Ohh)
Never have to hurt again
(You won't have to hurt again, no, no)
Wanna be your love supreme
(Love supreme)
Without you, I'm not complete
Your my everything, ohh

I breathe you, girl
(Breathe you, girl)
I eat you, girl
(I eat you, girl)
I need you, girl, uh huh
(uh huh)
I speak you, girl
(I speak you, girl)
I dream you, girl
(I dream you, girl)
(To)
To be my world
Your my everything

I breathe you, girl
(Breathe you, girl)
I eat you, girl
I need you, girl, uh huh
(Ahh)
(Uh huh)
I speak you, girl
(I speak you)
I dream you, girl
(I dream you)
To be my world
(To be my world)
Your my everything

You need someone to call on
(Call on me)
You know I'm not far away
(I'm right there)
So whenever, where ever, whatever you need
(Whenever, where ever, whatever)
Girl all I can say, yeah yo

I breathe you, girl

(Yo)
I eat you, girl
(Eat you, girl)
I need you, girl, uh huh
(Need you, girl)
(Uh huh haa)
I speak you, girl
I dream you, girl
(I dream you, girl)
To be my world
(Dream, dream)
Your my everything
(Your my everything, everything)

I breathe you, girl
I eat you, girl
I need you, girl, uh huh
(I need you, girl)
(Uh huh)
I speak you, girl
I dream you, girl
To be my world
(Your my everything)
Your my everything

Everything, you are, my everything
Everything, I need you, everything
Everything, you are, my everything
Everything, you are my everything
