When I first saw you standing there  
You know it was a little  
hard not to stare  
So nervous when I drove you home  
I know being apart is a  
Little hard to bare

Send some flowers to your work an hopes  
So that I will have you in my arms again  
We kissed that night before I left  
And now that's something  
I could never forget

You've got all that I need  
Looking at all or nothing  
Babe it's you and I  
With you I know that  
I am good for something  
So lets go give it a try  
We got our backs against the ocean  
It's just us against the world  
Looking at all or nothing  
Babe it's you and I  
Looking at all or nothing  
Babe it's you and I

Lets take a chance go far away today  
And never look back again  
Since I said I loved you in Las vegas  
It's never been the same since then

You've got all that I need  
Looking at all or nothing  
Babe it's you and I

With you I know

I am good for something  
So lets go give it a try  
We got our backs against the ocean  
It's just us against the world  
Looking at all or nothing

Babe it's you and I  
Looking at all or nothing  
Babe it's you and I

This is it nothing to hide  
One more kiss never say goodbye  
This is it babe your all mine  
Looking at all or nothing  
Babe it's you and I  
I know that I am good for something  
So lets go give it a try  
We got our backs against the ocean  
It's just us against the world  
Looking at all or nothing  
Babe it's you and I  
With you I know that  
I am good for something  
So lets go give it a try

We got our backs against the ocean  
It's just us against the world  
Looking at all or nothing  
Babe it's you and I  
Looking at all or nothing  
Babe it's you and I  
Babe it's you and I  
It's you and I
