

## **Theory of a Dead Man "Drag Me To Hell"**

Visit "[Drag Me To Hell](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Remember those good times we had  
I thought you were my friend  
What I felt to be a treat  
Was just a nightmare in the end  
I trusted you and you trusted me  
Nothing could go wrong  
Until I finally figured out  
You were evil all along

What I'd give to see you gone  
I never felt this way before  
I'd love to see that face you make  
When I walk right out the door

Because God can't save you from all your sins  
When you through your life away you let the devil in  
Now I can't save you because I know you too well  
Like everyone and everything you drag me to hell

Drag me  
Drag me  
Drag me

Trapped inside these prison walls  
With no way to escape  
What I felt to be my life  
Was just a big mistake  
I thought of you I thought it through  
Everything was clear  
The only way from this cage  
Was for you to disappear

What I'd give to see you gone  
I'm sure you heard this all before  
I'd love to see the face you make  
When I walk out the door

Because God can't save you from all your sins  
When you through your life away you let the devil in  
Now I can't save you because I know you too well  
Like everyone and everything you drag me to hell

Drag me  
Drag me  
Drag me  
You drag me to hell

I hope you had fun  
Now that we're done  
It's over this time  
I'm won't take your lies  
Get it through your head  
Our love is dead  
I don't think about you  
No I don't think about you anymore

Because God can't save you from all your sins  
When you through your life away you let the devil in  
Now I can't save you because I know you too well  
Like everyone and everything you drag me to hell

Drag me  
Drag me  
Drag me  
You drag me to hell

Drag me  
Drag me  
Drag me  
You drag me to hell

Drag me  
Drag me  
Drag me  
You drag me to hell
