I'm at the door, Hit you right in the face
So when the check comes, I'll make you pay
Don't have a car, guess your picking me up,
And in the backseat will be fallin in love
My only job is, to lie on this coach
And while your workin, I'll be hanging out
Now don't get bad cause you knew from the start that I
was a asshole that would never go far
Cause when your really good to go, skills i know, tie
you up, they end up and walking a away
Hey, hey, hey
Think i was a stand up guy, rather you have you cheat a
lot, and do something i hate

Girls don't want a gentlemen, they say they do, but in
the end, girls they say want a gentlemen , they
want a loser like me , Girls don't want a gentlemen,
they say they than if you want to get to them, Girls
don't want a gentlemen, they want a loser like me

Your parents cry, when you bring me around, they just
reach you up, just so i can take you down
There goes your life, right before your eyes
I'll have you barefoot, pregnant going out of your mind

Think i was a stand up guy, rather you have you cheat a
lot, and do something i hate

Girls don't want a gentlemen, they say they do, but in
the end, girls they say want a gentlemen , they
want a loser like me , Girls don't want a gentlemen,
they say they than if you want to get to them, Girls
don't want a gentlemen, they want a loser like me

Used to be a nice guy, but that don't get you anywhere
Not its just a piece of shit, idiot, who is too stupid to
care

Solo

When you give a girl respect, treat her like she is the
best, your nothing to her

She rather have you playing games, piss her off and
make you wait, if you want it to work

Girls don't want a gentlemen, they say they do, but in
the end, girls they say want a gentlemen , they
want a loser like me , Girls don't want a gentlemen,
they say they than if you want to get to them, Girls
don't want a gentlemen,they want a loser like me(x2)

They want a loser like me, they want a loser like me
