What's the worst that could happen to me?  
They could say that it's all in my head  
Well how 'bout the truth instead of worthless lies?  
Don't try to make me stay  
You think you got a foot in the door but you got a foot in  
the grave

(I'm hating Hollywood)  
I was wasting away just waiting for the phone to ring  
(I'm hating Hollywood)  
So I became a car chase star with a suicide ending

They say we're better off, leave it alone  
'cause when all is said and done who would consider  
the song?  
But you bet I won't lose this chance to be ready to go  
Don't try to make me stay  
You think you got a foot in the door but you got a foot in  
the grave

(I'm hating Hollywood)  
I was wasting away just waiting for the phone to ring  
(I'm hating Hollywood)  
So I became a car chase star with a suicide ending

(I'm hating Hollywood)

Well I'm hating Hollywood  
Well I'm hating Hollywood  
Well I'm hating Hollywood  
Well I'm hating Hollywood

I was wasting away just waiting for the phone to ring  
(I'm hating Hollywood)  
So I became a car chase star with a suicide ending  
Well I was wasting away just waiting for the phone to  
ring  
(I'm hating Hollywood)  
So I became a car chase star with a suicide ending  
(I'm hating Hollywood)  
I'm hating Hollywood  
I'm hating Hollywood

I'm hating Hollywood
