Haven't seen me lately
Staying hard to find
Well I know it ain't easy
But you know I don't mind

I always know where you are
(You never know where I am)
You've got me sneaking around
(Like the invisible man)
You'll never know where I've gone
(You've gone and done it again)
You've got me sneaking around
(Like the invisible man)
Going once, going twice, fuck this, I'm gone

You've been looking for days now
Oh but I'm not around
I've been finding new ways how
To see that I'm never found

I always know where you are
(You never know where I am)
You've got me sneaking around
(Like the invisible man)
You'll never know where I've gone
(You've gone and done it again)
You've got me sneaking around
(Like the invisible man)
Going once, going twice, fuck this I'm gone

You can see right through me
Outta sight, outta mind
Can you see why it's easy
To be the hardest to find?

I always know where you are
(You never know where I am)
You've got me sneaking around
(Like the invisible man)
You'll never know where I've gone
(You've gone and done it again)
You've got me sneaking around

(Like the invisible-ble-ble)

Like the invisible man
Like the invisible man
Like the invisible man
Like the invisible man

Like I'm invisible
Going once, going twice, three times, fuck this I'm
gone
