You know I'll be the one who gets fallin' down drunk  
At my neighbor kids soccer game  
I got an '82 Fiero with a carseat in the middle  
Broken down on the interstate  
I got a beer stained T-shirt  
Lookin' like Joe Dirt  
Somethin' 'bout me just ain't right  
I'm a cash-stealin'  
Drug dealin' loser without any feeling  
Gettin' trailer trashed tonight

Chorus:

'Cause I'm a low life and I'm lovin it  
I got the whole world in the palm of my hand  
And i'm a low life so fuckin' deal with it  
No you can't change something you don't understand.

I'm thrilled to be a hillbilly  
Hate to have to deal with me, probably just end in a  
fight  
No sleeves, can't read, doesn't even phase me  
naked sleepin' like a baby tonight

Chorus

Livin it up, livin it up  
And being a lowlife  
Livin it up, livin it up  
And being a lowlife  
Livin it up, livin it up  
And being a lowlife

Gun packin' bitch smackin'  
Mess with me, it's gonna happen  
Lovin' life livin' in sin  
Passed out on the floor,  
Sorry just don't work no more  
Givin' up on givin' in  
Ahh fuck it

'Cause I'm a lowlife and I'm lovin' it and I'm never  
gonna change for as long as I live

And I'm a lowlife, so fuckin' deal with it  
'Cause deep down ya really know that everyone is  
'Cause we're lowlives, and we're lovin' it  
We got the whole damn world in the palm of our hand  
'Cause we're lowlives, so fuckin' deal with it  
No, you can't change something that you don't  
understand  
I'm livin' it up, livin' it up  
And being a lowlife
