It seems that nothing ever goes my way  
Since you broke my heart when you left that day  
There's nowhere to go so just stay with me  
'Cause since you've been gone, I've been begging you  
please

To tell me you're not alright  
And you needed to come home  
(Since you've been gone)  
To tell me you're not okay  
And you needed me all along  
Since you've been gone  
I need to hear from you  
Since you've been gone

It seems that every time you swear to God that you're  
leaving  
I'm down on my knees begging you to stay  
There's nowhere to go so just stay with me  
'Cause since you've been gone, I've been begging you  
please

To tell me you're not alright  
And you needed to come home  
(Since you've been gone)  
To tell me you're not okay  
And you needed me all along

Since you've been gone

Please don't leave me here alone  
Just stay awhile and make me smile  
Please don't leave me here alone  
Just stay awhile, baby smile

Since you've been gone, I need to hear from you  
Since you've been gone, I need to hear you say

Tell me you're not alright  
And you needed to come home  
(Since you've been gone)  
Tell me you're not okay

And you needed me all along  
Since you've been gone  
I need to hear you say  
Since you've been gone  
Don't tell me, don't tell me  
I need to hear you say
