[Tom Cruise]

I gotta take a little time  
A little time to think things over  
I better read between the lines  
In case I need it when I'm older

[Malin Akerman]

In my life there's been heartache and pain  
I don't know if I can face it again  
Can't stop now, I've traveled so far  
To change this lonely life

[Tom Cruise, Malin Akerman]

I wanna know what love is  
I want you to show me  
I wanna feel what love is  
I know you can show me

[TC]

I'm gonna take a little time  
A little time to look around me

[MA]

I've got nowhere left to hide  
It looks like love has finally found me

[TC]

In my life there's been heartache and pain  
I don't know if I can face it again  
I can't stop now, I've traveled so far

[TC, MA]

To change this lonely life

[TC]

Let's talk about love  
I wanna know what love is

[MA]

The love that you feel inside

[TC]

I want you to show me

[MA]

And I'm feeling so much love

[TC]

I wanna feel what love is

[MA]

No, you just cannot hide

[TC]

I know you can show me

[MA]

Yeah

[TC]

I wanna know what love is

[MA]

Let's talk about love

[TC]

I want you to show me

[MA]

I wanna feel it too

[TC]

I wanna feel what love is

[MA]

I want to feel it too

And I know, and I know, and I know, and I know, and I  
know

[TC]

I want you to show me
