We came for the show, Cause we can on our own  
And the boy needs you so, please don't let him down

And if you pray if you pray I promise I will pay X2  
If you pray if you pray you wont let us down.

Benny Benny takes my penny Benny skins me to the  
bone,  
Benny Benny takes my penny watch him skin me to the  
bone,  
Oohhh Ohhhhh  
OhhhWoOhhh Ohhhhh

Joy's in your hands make the girl walk again,  
Cause she don't understand, you can let her down.

And if you pray if you pray I promise I will pay X2  
If you pray if you pray you wont let us down.

Benny Benny takes my penny Benny skins me to the  
bone,  
Benny Benny takes my penny watch him skin me to the  
bone,  
Oohhh Ohhhhh  
OhhhWoOhhh Ohhhhh

Benny Benny takes my penny Benny skins me to the  
bone,  
Benny Benny takes my penny watch him skin me to the  
bone,
