Hand to God I swear I'll pray for
a change, a change for heaven's sake.
Right now, I don't care about anything,
right now I don't care about anything.

hand to God, I thought I loved you
I thought I thought I thought i thought I trusted you
Right now, I don't care about anything,
right now I don't care about anything.

So won't you kick me, hit me, shake me, scare my
ghost
I'm feeling comatose. Barely moving now, gravity you
brought me down.
kick me, hit me, shake me, scare my ghost

Man he said its just a phase but Jesus Christ its taking
days
Right now, I don't care about anything,
I really don't care about anything.

So won't you kick me, hit me, shake me, scare my
ghost
I'm feeling comatose. Barely moving now, gravity you
brought me down.
kick me, hit me, shake me, scare my ghost

kick me, hit me, shake me, share my ghost
So won't you kick me, hit me, shake me, share my
ghost
I'm feeling comatose. Barely moving now, ow oh, you
brought me down.
kick me, hit me, shake me, scare my ghost
