I hate what you say and I hate what you do  
But never did I say I wouldn't steal it from you  
And we'll save your grace with the devil in my eye  
Everybody knows all the honest ones lie

And you think you know me  
Darlin' you don't know

Ah oh oh, ah oh oh  
I'll eat you like you're a host  
And when I'm done, I'm done  
That was fun but son  
Off you go  
Ah oh oh, ah oh oh  
Feed on you like you're a host  
And when I'm done, I'm done  
That was fun but son  
Off you go...

Lord how thick the thief that I might  
Been running back around trying to make things right  
And my brightest moods are in the dark of night  
I've got the green on my side and it's yours against  
mine

And you think you know me  
Darlin' you don't know  
Ah oh oh, ah oh oh  
I'll eat you like you're a host  
And when I'm done, I'm done  
That was fun but son  
Off you go  
Ah oh oh, ah oh oh  
Feed on you like you're a host  
And when I'm done, I'm done  
That was fun but son  
Off you go...

With one eye I'd sleep if I were you  
(You said you'd get me out)  
With one eye I lied I said to you  
(You said you'd be there)

With one eye I'd sleep if I were you  
(You said you'd get me out)  
With one eye  
(I lied)  
I said  
(I lied)  
I said  
(I lied)  
I said  
(I lied)  
I said  
(I lied)  
I said

Ah oh oh, ah oh oh  
I'll eat you like you're a host  
And when I'm done, I'm done  
That was fun but son  
Off you go  
Ah oh oh, ah oh oh  
Feed on you like you're a host  
And when I'm done, I'm done  
That was fun but son  
Off you go...
