hey little puppet will you do a dance for me
your scripted act is beginning to bore me
your nose grew when you said you had no strings
you only do what the puppeteer tells you
when they untie you i guess they forget to
take off that one last final string

Times up now
you should be proud
you're just a toy
so take a bow
it'll all be over soon

your expressions fading go get it painted
you're so fake even your smile is tainted
why don't you be yourself for once
was it in your plans to become a slave here
did you want to be told how to behave dear
what happened to always being free

Times up now
you should be proud
you're just a toy
so take a bow
it'll all be over soon

Instrumental Bridge....
I've got no strings
To hold me down
To make me fret
To make me frown
Got no strings
so you can see
there are no strings on me

I've got no strings
To hold me down
To make me fret
To make me frown
Got no strings
so you can see
there are no strings on me

Times up now
you should be proud
you're just a toy
so take a bow
it'll all be over soon

Times up now
you should be proud
you're just a toy
so take a bow
it'll all be over soon
