You've got everything I could ask for
A pretty smile and rosy red lips
Oh I want everything to do with you
Oh everything

Kick this off
Shine a little light
'Cause I think I need you in my life
And I've been having these dreams because of you
Because of you

You look so lovely tonight
That I wish I could have a piece of you
You look so beautiful tonight
I don't want to say goodbye to you

The way you looked into my eyes
Sent chills down the barrel of my spine
Oh you know everything I need
Yeah, you do

Is it alright to feel
Something I've never felt before?
We're making eye contact
Is this night for real?
C'mon what is the deal?
Is this a dream?
