see I see your true choice...Mind mine, as overtime, I  
got  
the bite when I write - I ignite....it's like a fight on the  
mic..i'm  
outsight - take flight - or I'ma catch you off your best  
turn...then  
proceed to catch wreck just like a tech in a  
western...Been rockin  
rhymes since the days of Dimples Dee...and we been  
gettin  
money since the Treacherous Three..not just me...my  
whole crew  
moving  
just like a silver shadow...throwin hammers like Thor  
when we battle...heads rattle...rock and roll...all that  
jazz, pop and  
soul...what we bring to hip hop be in the form ten  
fold...When  
rockin the microphone, I play the roll like Karl  
Malone...on stock  
dun...got dope rhymes for your dome...Visions of  
Shirley  
Murdock - with my crew, as we lay....I got the 45th  
cocked - we  
got the  
tre's and A.K.'s layed away...as we playin it in luxuries  
lap...Navy Seals is on our ass...I hear we due to get  
jacked...but

niggas...far from lame - spittin game - even nicer pullin  
triggas - and  
dig this...they're leaving no witnesses to the bout...so  
me,Joe, L, Rho - we goin all out...As a few play  
post..another few  
get  
roast...Martell for mariwinos - my blood stream the  
host...goin over in my mind - counterattack - I'm on the  
scheme -  
they've been infiltrated, one of they niggas really on  
our

team...Layed it down nights ago..said they was based  
in V.A.  
....They  
supposed to rob before they raid because the way that  
we  
play, every day, it don't cease...from the streets of no  
peace...to  
bringin heat to the fleet of crazy crooked police HOOK  
As  
money's foldin..keep it quiet like you know silence is  
golden..talkin  
while my teams reloadin...find
