La La La La the hell that you live in
Is a gift from the people you hate
La La La La the heaven you live in
Is a gift from the people you hate
You never know what fascinating things might happen
to you
Check it out check it out check it out
Check it out check it out check it out

You never know Who your friends will be
Who they are
You never know Who your enemies
Who they are
Who they are

La La La La the voices you're hearing
Emanate from a devious mind

La La La La the truth keeps appearing
Somewhere you'd never think you would find
You never know what fascinating things might happen
to you
Check it out check it out check it out
Check it out check it out check it out

La La La La La La La La La La La
La La La La La La La La La
La La La La La La La La La La La
La La La La La La La La La
You never know
You never know
