Something in your eyes
Makes me want to lose myself
Makes me want to lose myself
In your arms
There's something in your voice
Makes my heart beat fast
Hope this feeling lasts
The rest of my life
If you knew how lonely my life has been
And how long I've felt so low
If you knew how I wanted someone to come along
And change my life the way you've done

Feels like home to me
Feels like home to me
Feels like I'm all the way back where
I come from
Feels like home to me
Feels like home to me
Feels like I'm all the way back where I belong

A window breaks down a long dark street

And a siren wails in the night
But I'm alright 'cause I have you here with me
And I can almost see through the dark there's light

If you knew how much this moment means to me
And how long I've waited for your touch
If you knew how happy you are making me
I've never thought I'd love anyone so much

Feels like home to me
Feels like home to me
Feels like I'm all the way back where
I come from
Feels like home to me
Feels like home to me
Feels like I'm all the way back where I belong

Feels like I'm all the way back where I belong
