Pretty Lady  
Don't you know how beautiful you are  
Little Lady  
Don't you know you're gonna be a star  
Every time you turn around  
They'll try to drag you to the ground  
But nothings gonna keep you down for long  
And I know how hard you try  
But don't let them see you cry  
You just got to keep on keeping on  
Pretty Lady  
Don't you know how beautiful you are  
Little Lady, yeahh  
Don't you know you're gonna be a star  
Hold on, my friend  
Hold on, my friend  
Yeah yeah  
'Cos you carry all the pain and everybodies blame  
For everything that they've been doing wrong  
But just keep on pushing through  
'Cos i know you're gonna do  
Oh sweet mama, everything you want  
Pretty Lady  
Don't you know how beautiful you are  
Little Lady, yeahh  
Don't you know you're gonna be a star, yeah
