My love,
my love,
I wanna run
run

My love,
take advantage of me
got nowhere to go
nowhere else to be

Nowhere to go, nowhere else to be
my love

Never had love
not the kind that lasts
whenever I'd find it
went by so fast
so many years
so many nights
so many dreams lost

to a morning light

So many dreams lost to a morning light
my love

Oh, I wanna run (3x)
Oh

My love
my love
let me inside you
help me see

My love
make a difference to me
cause something about you
is something I need

Something about you is something I need (3x)
My love
