Feeling kind of loco  
Wanna dance all night  
And maybe maybe  
I'll get you baby  
I've seen like you before  
You're just my type  
Think I'll get lucky  
Oh baby baby

#### Chorus

Come on  
Call me bonita  
Don't be shy  
I promise to please you  
Te quiero te quiero  
I'm gonna show you  
Come on  
Call me bonita  
Don't be shy  
I promise to please you  
It's getting hotter  
And I'm about to be  
Your midnight sun

Got that look like you don't care  
Acting like a millionaire  
Boy you got me dancing (oh,oh)  
Got no worries got no scares  
There is trouble everywhere  
Boy you got me dancing  
Got me dancing dancing (repeats)

All I wanna do  
It's keep you up all night  
Forget your girlfriend  
We'll keep it secret  
Boy what you got  
It's really hard to find  
You got me twisted  
Think I'm addicted

## Chorus

Got that look like you don't care  
Acting like a millionaire  
Boy you got me dancing (Oh,oh)  
Got no worries got no scares  
There is trouble everywhere  
Boy you got me dancing  
Got me dancing dancing

dancing dancing
