We received an invitation in the post one Monday morn'
To attend our cousin's wedding in the town where we
were born
The do was back in Kerry; so wishing to be frugal
We trawled the 'net to find some decent travel deals on
Google

Cheap flights, cheap flights, cheap as they can be,
Bedad we found an airline selling flights for 50p.
(Diddly aiden daidin daidin dai)

Well we clicked on to the website and were mightily
surprised,
To find the actual cost wasn't quite as advertised,
We'd forgotten airport taxes, had also to be billed,
But a bargain is a bargain and begorrah we were
thrilled.

Cheap flights, cheap flights, Stanstead to Tralee,
It isn't every airline offers flights for 50p,
(Diddly aiden daidin daidin dai (x3))

After studying the website we decided it was best,
To pay priority boarding so that we'd sit three abreast,
(Three abreast, that's the best)
And of course we'd all have luggage, so that's an extra
cost,
And then we paid insurance in case our cases might
get lost.

Our cheap flights, cheap flights, it's obvious to see,
There must be extra charges when the flights are 50p,
(Minya, minya, minya, key change)

At last the flight was booked, with all of the additions,
We'd read the reams of smallprint, of terms and
conditions;
And then picked up the charge for using VISA which
was drastic,
'Cause how the feck are you supposed to pay if not with
fecking plastic?

Cheap flights, cheap flights, we paid the fecking fee,
Because by now we were committed to the flights for
50p,
(Diddly aiden daidin daidin dai (3))
(Someone's being diddled and it's us, so it is)

(*Ochone, ochone, aah . . .)
Now I don't know if you've tried looking at Stanstead on
a map,
But checking in at 5am is a fecking load of crap,
It's packed if you try to catch a train or underground,
So a taxi to the arse in the world was more than 100
pounds,

Cheap flights, cheap flights, we should have gone by
sea,
There's no such fecking thing as a fecking flight for
50p,
(Feckity feckity feckity feckity feck, feck, feck (x2))

Then at last we reached the airport where we had to
pay a fine,
The fecking feckers charged us 'cause we hadn't
checked in online,
And finally aboard the flight there's an extra class of
tax,
'Cause the fecking fecking feckers fecking charge to
use the jacks,

Cheap flights, cheap flights, I think you must agree,
That only fecking gobshites think there's flights for
50p,
(Feck, shite, feck, shite, feck, shite, arse)
(Feck, shite, shite, feck, feck, shite, arse)
(Feckity Feckity Feckity Feckity Feckity Feckity Feckity
Feck)
(Feckity Feckity Feckity Feckity Feckity Feckity Feck)

Sad verse
Well finally we landed and tried to shuffle up the aisle
But the steward sent us down to the back with never a
hint of a smile
And as we heard his announcement our hearts gave a
terrible thump
If you haven't prepaid to use the steps you'll have to
feckin jump

Cheap flights, cheap flights you're harking on to me
you're an eejit (idiot) if you think a fecking flight is 50p
FECK
