A star has entered treat him well  
TOP class and Mr.G in the the club in ma b-boys's  
dance  
Two people who really know how to party our  
relationship is better than ever  
Everybody makin' move makin' move pull hard  
Countdown freedom I've been waiting for over the limit  
Only strong fox wresting 1 minute 1 second is  
I promise you forever hey come on and make some  
noise  
I'm tonight president my girl yo fly!

High high I'm so high  
High high up in the sky  
High high I'm so high  
Fly fly touch the sky  
Ha ha ha ha ha  
Say la la la la la  
Ha ha ha ha ha (ah~)

Ok hum, sing  
Humming I have a butterfly high. Like lightning jump up  
high like ninja  
Our opinion aren't the same but in the end our plans  
are the same  
Follow me, go crazy everyone to the sky and fall  
People who look like they enjoy everything like they  
understand  
In some ways it doesn't mean a lot  
They're pretending they're not, pretending to be  
innocent  
Catch me and play with me if you don't want to run  
away  
I aks who is the center of this city whoever it is

High high I'm so high  
High high up in the sky  
High high I'm so high  
Fly fly touch the sky  
Ha ha ha ha ha  
Say la la la la la

Ha ha ha ha ha (ah~)

Baby wait a second stop now there's no time  
You can only live life once not listening to anyone for  
no reason

Baby wait a second stop now there's no time  
You can only live life once not listening to anyone for  
no reason

G.H.E.T.T.O E.L.E.C.T.R.O

Might go crazy don't try to stop me here we go

G.H.E.T.T.O E.L.E.C.T.R.O

Might get exhausted don't stop here we go

Go go go go go go)

High high I'm so high

High high up in the sky

High high I'm so high

Fly fly touch the sky

Ha ha ha ha ha

Say la la la la la

Ha ha ha ha ha (ah~)
