English Translation

T.O.P

Knock out, it's a knock out, knock knock knock knock
When I see the two, I get knocked out
Wait, my hands reach out, shall we go out? You're a
knock out

GD

THIS IS DOUBLE DOUBLE DOUBLE DOUBLE COMBO
DOUBLE DOUBLE DOUBLE COMBO
THIS AIN'T BUBBLE BUBBLE BUBBLE BUBBLE GUM
I'll chew you, spin spin together

T.O.P

Those ladies that are walking down the street
And even all the guys are screaming out my name
(TOP)
My rap is Korea's favorite food, all the youths are
copying me
A motley, it's jumbled, but also sweet
My two job adventure even broke colored lens glasses
All the WANNA BE STARS that resemble me
They try to chase and chase after me but I'm a MOVIE
STAR
I may like toys more than girls, but laugh at me you'll
get hurt
I GET MEANER, you're getting angry, aren't you
I'm ORIGINAL
Even the corner store coffee's name is T.O.P
My black eyes shake that woman up
My long eyelashes are born from natural freedom,
different from disgusting SMOKY makeup

GD

G-Dragon has come by separating the clouds
Fly super board, the Son Oh Gong on top of the BEAT
My MIC is a baton, I'm Napoleon on stage
HOMME WHEN YOU SEE MY SWAGG YOU SAID WANNA
BE
The second Kwon Jiyong
BLING BLING BLING I can wear anything I want and it's

a photoshoot
You all know my name
BRAVO MY LIFE YO! SEOUL TO TOKYO! Record it and
Again they cal me Hong Gil Dong
Mon, Tue, Wed, Thur, Fri, Sat, I go through schedules
all day
But when it's night, I'M SO LONELY
All my scandals, wait for me
How can that oppa be hot?
My dog Gaho is more popular, my gestures are like
hypnosis
This phone call is seducing you, my voice is like SWEET
Medusa

I was born with this impressive voice
TOP & GD are like almond and chocolate
D D D D Diplo and our combination
An unrealistic fairy tale of your previous night
