Ah my head.. Some water.. eugh I feel sick... Is noone there?

[Get over your hangover and listen]

The girl I loved is leaving now
Is she going to leave me alone to meet another person? (HAHAHAHAHA)
It's a pity~ Pitiful~ I'm a lonely man~
Comfort me~ (Oh~)

(Let's Go)
What do you want
What do you want
What do you want
Ah~ What do you want

Te Te Te Tell me now
Hey Hey Hey Don't go you~
If you're gonna be like that I'd rather you stepped on me on the way
What the hell, Why? Why?
I treated you really well
If you were going to be like this you should have told me earlier you meanie

Are you allowed to do this, or not?
You're not~

Ya ya ya ya ya ya

A punk kid passes by and mocks me
He points his finger and teases me and speaks ill of me
I give him a bang on his head and the moment I turn around
She must have seen me
You're so~~~ immature~~~

What do you want
What do you want
What do you want
What do you want from me~

Te Te Te Tell me now
Hey Hey Hey Don't go you~
If you're gonna be like that I'd rather you stepped on
me on the way
What the hell, Why? Why?
I treated you really well
If you were going to be like this you should have told
me earlier you meanie

Am I right? or not?
Everybody, Yayayayayaya
Nanana nanana nananananananana
Nanana nananananananana
Nanana nanananana
Today I'm going to drink like a pony free from it's reins
Drink, drink
(sob) Don't go
